

Harsh Bediya

Full Stack Web Developer (React.js & Django)

Bhopal, Madhya Pradesh – 462022

Email: harshbedi3112@gmail.com

Contact Number: +91 6263219320

Linkedin: linkedin.com/in/harsh-bediya-a1330426a

PROFESSIONAL SUMMARY

Final-year B.Tech Computer Science student with hands-on experience in building real-world web projects using React.js and Django. Passionate about turning ideas into working applications — like a freelancing platform for students and a hospital management system. Strong in frontend design, backend logic, and always eager to learn and build better solutions.

Technical Skills:

Languages: C++, Python, JavaScript

Frontend: HTML, CSS, JavaScript, React.js

Backend: Django, REST APIs

Database: MySQL, SQLite

Tools: Git, GitHub, VS Code

EDUCATION:

Bachelor of Technology in Computer Science
Technocrats Institute of Technology (TIT), Bhopal

2022 – 2026

PROJECT EXPERIENCE

Hospital Management System

Tech Stack: Django+ DRF, React.js, HTML, CSS, SQLite

Duration: April 2024 – June 2025

- Developed a fully responsive hospital website with a professional UI
- Features include doctor profiles, appointment booking, contact form, and admin dashboard
- Designed an “About Us” page with custom branding and clean design principles
- Focused on security, routing, and form validation using Django backend

Freelancing Marketplace for Students

Tech Stack: React.js, HTML, CSS

- Built a student-focused freelance platform using React
- Users can browse and apply to freelance jobs
- Admin panel displays selected student data for each job
- Used React state and props to manage job applications and selection
